

# Draft Mission Action Plan 2021 -2023

## for the parish and all parish ministries at St Peter's Eastern Hill

We will be -

- a flourishing Anglo-Catholic community of faith;
- a cohesive community built on shared values and respect where people are invited and supported to contribute their gifts to the service of the Church; and
- developing the next generation of lay and ordained leaders for both our community and the broader Anglo-Catholic tradition.

We will focus on -

- renewal and deepening of Anglo-Catholic spirituality, liturgy, music and commitment to social action;
- faith development: sacramental and vocational formation; and
- rebuilding pastoral care and a culture of trust and hospitality.

We will succeed by -

- a focus on Anglo-Catholic teaching and devotional practice;
- drawing on the talents and charisms of our community;
- developing ministries which are sustainable;
- forming and growing partnerships with aligned organisations;
- building our youth and tertiary student engagement; and
- intentionally connecting with our broader community, including the needy and marginalised.

We will need -

- people, resources, money, and proper use of our property assets;
- partnership capabilities to support social justice outreach;
- good governance and strong internal structures; and
- an effective communication strategy within the parish and with the broader community.

We will measure our success by -

- how we move among one another as a community being drawn closer to God;
- the number of people attending and engaging in worship, parish events and activities, ministries and faith development;
- how we are able to improve our financial situation; and
- annual Mission Action Plan reviews on both quantitative and qualitative measures.
